

## Miss Corey's Preschool

Please send the following with your child:

- A **BACKPACK** large enough for the red folder, not the adorable tiny ones. Please make sure you label your child's name clearly.
- A complete change of **CLOTHING** (including socks and underpants) in a gallon Ziploc bag with their name on it. These will be kept at school just in case and will be returned at the end of the school year. These are needed not only for potty accidents, but also if they have a large spill.

### School Supplies:

- 4 purple glue sticks (Yes, they must be purple for students to see where the glue has been placed :)
- 1 red PLASTIC pocket folder with 3 prongs and 2 pockets
- 1 blue PLASTIC pocket folder with 3 prongs and 2 pockets
- 1 green PLASTIC pocket folder with 3 prongs and 2 pockets
- 2 small boxes of small crayons. They must be Crayola Brand.
- Pip Squeak Markers
- 1 rectangular, hard plastic, pencil box
- 1 container Antibacterial Wipes. We have plenty of baby wipes from last year, please do not send these.
- 1 roll paper towels
- 1 pack white or color cardstock paper
- 2 cans of Play-Doh (any color)
- Bring 1 snack to share with the class (enough for 17 children)
- Boys bring a 1 grain snack (bag of pretzels, graham crackers, Goldfish, no cookies please)
- Girls bring 1 of the following items; applesauce, cheese cubes, string cheese, cheese packets, or yogurt. We have a refrigerator in class to store them.

This will start us off with snacks for the first few weeks. We will then send out a snack calendar and assign students to bring in a snack every other month. You do not need to send an additional snack with your child. We will provide a snack daily. We are required by law to serve 2 snacks from different food groups. We will assign fresh fruit once we get the snack calendar going.

**Teacher Wish List-** These items are of course optional. Please do not feel obligated to purchase these. Band-aides, inexpensive treasure box items (they may even be gentle used), water colors. Thank you!-Miss Corey ☺
